

## XLII

### **Ethan's First Match**

During last winter, 14 year old Ethan Peel attended an IICUS BTEC Course in Umpiring in Oxfordshire. He was assessed during each of the 2 Units and his Tutor was able to progress him to Unit 3 which is on-field assessment.

His assessment match was Oxfordshire Under 10s versus Oxfordshire District Under 11s played at Charlbury Cricket Club on Sunday 21 June.

It was Ethan's first competitive match in the middle and his Tutor and Assessor, Mick Warren was very pleased with the training result.

Valuable and constructive comments were made by the Assessor and included reports on signals and positioning, watching the action and good concentration.

Mick will be appointing Ethan to another youth match shortly when he will be mentored again and the assessment results will contribute to his BTEC award.
